

TANIA AKHTAR MITHILA

Junior Software Developer | Python | Django | Web Development

01614428985 | ✉️taniaakhtar098@gmail.com | Dhanmondi, Dhaka | <https://github.com/Mithila101>

Professional Summary

Computer Science & Engineering graduate with 5 months of professional software industry experience at Eon System and a completed Full Stack Web Development course (Python, Django & React) from Ostad. Proficient in Python and Django with foundational knowledge of REST API development and database-driven systems. Hands-on experience in bug analysis, automation scripting, functional testing, and cross-team collaboration. Adaptable, fast-learning, and eager to contribute and grow within a dynamic IT environment.

Work Experience

Software Analyst & Customer Support Executive

Eon System | Dhaka, Bangladesh | *May 2024 – September 2024 (5 Months)*

- Analyzed and documented software bugs reported by end users; escalated to development team with clear reproduction steps
- Wrote Python automation scripts to streamline repetitive support workflows and data logging tasks
- Collaborated with developers to verify bug fixes through functional testing prior to deployment
- Maintained structured issue logs contributing to a cleaner bug-tracking pipeline
- Assisted in client onboarding and handled daily queries via email and ticketing systems
- Gained practical exposure to SaaS product lifecycle, deployment workflows, and production system monitoring

Education

B.Sc. in Computer Science & Engineering | CGPA: 3.37 / 4.0

State University of Bangladesh | Dhaka

Higher Secondary Certificate (H.S.C) — Science | GPA: 3.33 / 5.00

Savar University College | Dhaka Board | 2015–2017

Secondary School Certificate (S.S.C) — Science | GPA: 4.33 / 5.00

Ashraf Ganj High School | Dinajpur Board | 2015
